

Business Process Management Policy

We at Tata Steel Colors Pvt. Ltd. aspire to be the most preferred supplier for the steel building, cladding & framing industry while striving to achieve 'Zero Harm' to people and the environment in which we operate.

Our aspiration forms the basis of establishing and reviewing the business objectives.

We commit to:

- Leverage our superior technology and build our organizational capabilities to deliver high quality products and services
- Efficiently use resources, thus preventing pollution and reducing the environmental impact of our operations and products
- Provide safe and healthy working environment by reducing work related hazards and risks that may lead to injury and ill health
- Satisfy applicable product, industry and other compliance obligations

We'd continually improve our products, services, systems and processes in our journey to achieve excellence in everything we do, along with engaging our employees and key stakeholders.
